

LUNCH BUNCH VOLUNTEER

As always, we will have our familiar "Pink" *Volunteer Sign Up* sheets at Back to School Night in the Fall. This is a chance for all of you to check out all the wonderful volunteer opportunities here at Highland Catholic.

We have lifted the Lunch Bunch volunteer part from the sheets and are sending it out with registration. As you may remember, lunch starts right away the first week of school so we need volunteers immediately. Waiting for the tabulation of the sheets in the Fall just makes it so late to make schedules.

We hope that you can be most generous with your time as this program requires many people. The commitment is not bad at all and with many volunteers, we can make it a once a month affair. We will try to accommodate you as best we can. Thank you for this and for all that you do for Highland Catholic.

LUNCH BUNCH: Serve lunch (10:40-Noon) Be a part of our lunch program. Great chance to see your child smack dab in the middle of the day! We need LOADS of help!
